

Presidents Notes

Please have all team members read

Hello and welcome back to the new SBDA Spring season. I know we've been playing for a couple of weeks now but I've been busy and sick so the Presidents notes are a little late. Just a few things to go over this season so here we go.

- We have the same teams as last season and we will play everyone twice (home and away).
- There are no open weeks (holidays etc...) so any makeup game will have to be held on a night other than Tuesday.
- **If you are reading this, your dues should have been paid!**
- **Please leave the scoresheets at the venue unless otherwise instructed.** We had a missing scoresheet last week.
- **. Please fill out the Roster Sheet.** It is important to have a contact for everyone so they can receive information about league stuff and other events.
- Don't forget your MVP points. They are more important this season. They will be used to determine our All Star team vs. Ventura in May!
- ADO events have been taking place. Look for more in the future!

See you on the Oche!

Erik
